

2012  
*Join Us!*

**2012— A New Year —  
We're expanding and  
adding new features  
to help you reach the  
customers you are  
looking for!**

## **Fantastic New Features!**

We have been your place for inspiration and spiritual growth for 8 years, and we are expanding our Holistic Healthcare sections to help serve you even better. Now is a perfect time to reach out to the Evolving community.

[www.evolvingyourspirit.com](http://www.evolvingyourspirit.com)

The goal of *Evolving Your Spirit* is to create abundance on all levels for everyone who participates for the highest good of all by serving as a catalyst for connection.

*Join us and let us help you market your business while spreading good news and inspiration.*

- Online professional directory which is searchable so that your clients and potential clients can find you easily
- Various new advertising options to fit your needs and budget online and in print

• *Someone You Should Know*- Focusing on local person or persons engaging in good acts

• We make sure the magazine is placed where your customers will find it (and see your ad)

- Local Calendar of Events emailed out each month

Just contact Debbie— she would love to talk to you about marketing your business.
